

PREMIER FIBRE CONNECTIVITY SOLUTIONS THAT PUT YOUR BUSINESS FIRST.

DO BUSINESS FARTHER AND FASTER

- Boost productivity by connecting to one of the most extensive and robust fibre networks in North America.
- A symmetrical carrier-grade network means your business gets access to fast upload and download speeds.
- Over 1,100 peering connections so traffic arrives at its destination faster through the most direct and reliable routes.

CUSTOMIZED TO FIT YOUR BUSINESS

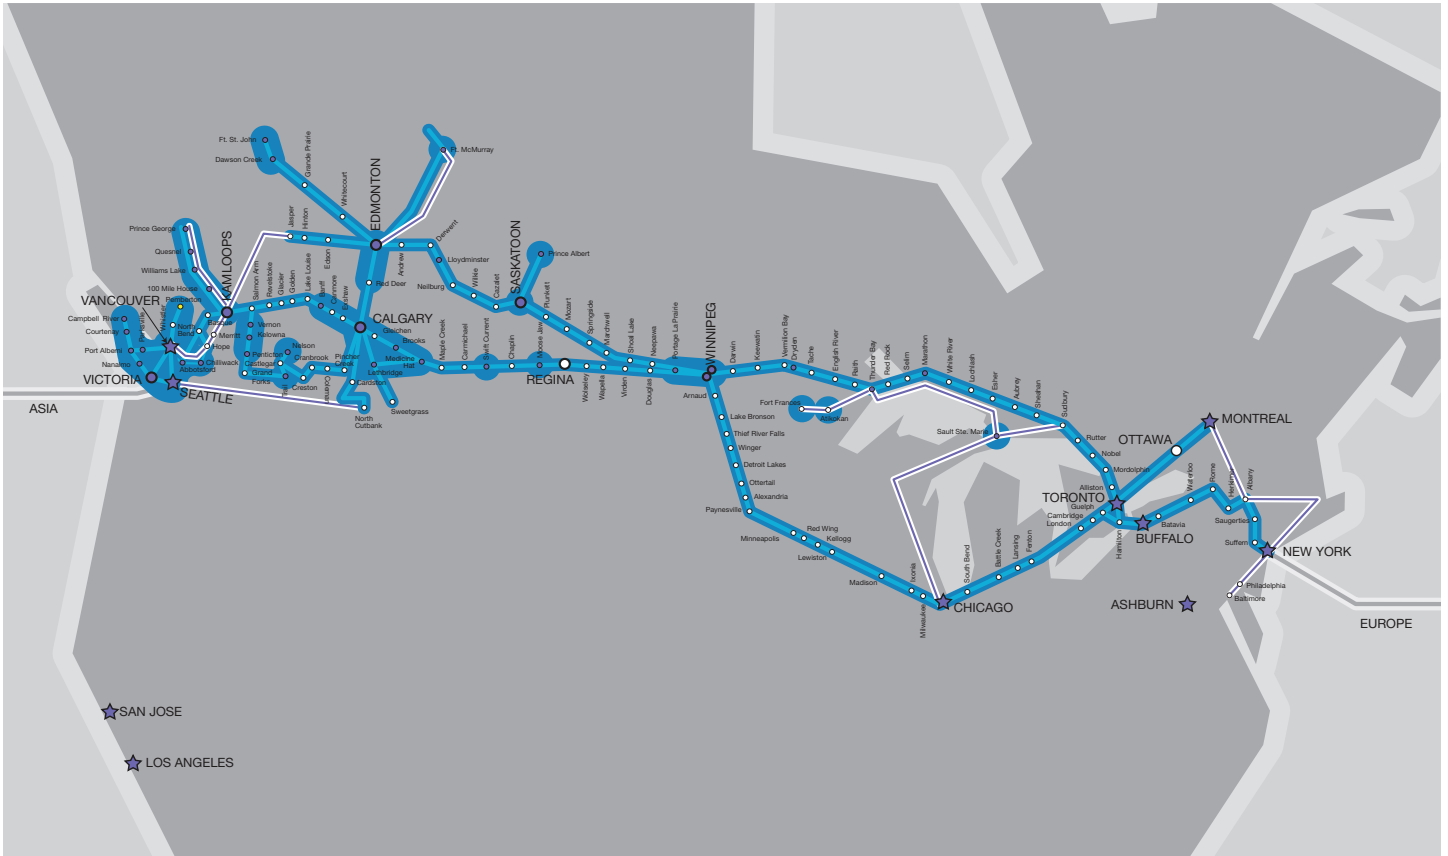

- The speeds you need - scalable bandwidth options from 10 Mbps to 10 Gbps.
- Flexible bandwidth billing options including prescribed, sustained and flat-rate bundles to meet the requirements of any business.
- 24/7/365 dedicated support backed by Shaw's exceptional Service Level Agreement.

OUR FIBRE ADVANTAGE

Shaw Business delivers top-tier speeds throughout our backbone 99.7% congestion-free, regardless of the time of day.

Guaranteed to keep your high performance applications moving and data protected with one of the largest networks in North America, with over 1.4 million kms of fibre strand throughout Canada and the U.S.
